

# Chateau Diana Sangria

The Chateau Diana Sangria is a feast for the senses. This wine shows well with its dark ruby color. The aromas are bold and get your attention with lemon, limes, orange and lots of fresh cherries. The pleasant flavors bring cherries, a whole lot of pomegranate, mango and clove, with a pleasant hint of cigar box. It is a very bright and well-balanced selection that is spicy, sassy, fun and playful. The finish is long, silky and slightly sweet.
