WINE REGION NOTES:

La Mancha is an ideal area for growing grapes. The health of their vines is extraordinary due to the long hours of sunshine they receive and their great ripening cycle.

WINERY NOTES:

Located at Las Pedroñeras, Cuenca, North-East of Castilla La Mancha. Sit at an altitude of 750 metres above sea level with a continental climate and sandy loamy soil, rich in limestone, making it an ideal place to grow grapes naturally.

WINEMAKING NOTES:

This wine is made from organic grapes grown on our estate. Organic practices have been applied improving the soil structure and enhancing the natural cycle of the vines in order to achieve the highest quality wines. We harvest at night so our grapes are of optimal temperature before pressing, harvested and aged for 12 months.

TASTING NOTES:

It shows a deep dark cherry colour. Aromas of spice, vanilla and ripe fruits, on the palate. Well structured, with sweet tannins, full body, harmonious and long finish.

PAIRING:

We recommend service at 20° C. A perfect match: Roast beef.
