

# Black Oak White Zinfandel

The Black Oak White Zinfandel shines a pretty shade of pink. There are lovely perfume aromas that remind one of ripe melons, honeysuckle in summer, and cherry blossoms in spring. The flavors are bright and delicately sweet, with a perfect balance of fresh acidity that lightens up the complex texture. The succulent flavors are of juicy tangerine, white peaches, and just-picked strawberries. All of these fruits merge with an additional hint of lemon-lime and plain old sass that make this a very approachable and fun wine selection.

The Black Oak White Zinfandel would be perfect simply chilled on its own on a sunny afternoon or served at brunch, with spicy appetizers, desserts, or any lighter fare.
