THE WINERY: DON MANUEL VILLAFANE WINERY HISTORY

Don Manuel Villafañe is a winery owned by Sr. Tomás Machado Villafañe and his family. The winery is focused on the elaboration of grapes harvested from small, exclusive vineyards. In 1611 Don Manuel Villafañe came to Argentina from Spain as a soldier to fight against the English pirates who attacked Spanish ships. Later he settled in South America as a farmer. The objective at that time was to provide wine for the priests of the church and much later for the settlers, who came to the 'New World' to take advantage of new opportunities. The Don Manuel Villafañe winery focuses on hand harvested, small batch wines, upholding the integrity of the land and history of viticulture in Mendoza, Argentina.
