

GENESEO

C E L L A R S

BARREL FERMENTED 2017 Chardonnay

At GENESEO CELLARS, named for a historic grape growing region in California first planted to vines in 1886, we employ time-honored winemaking techniques to craft premium wines using rich, flavorful local grapes. We express our commitment with this entirely barrel fermented, creamy chardonnay, boasting seductive aromas of buttery, ripe golden fruit and full-bodied, lush flavors that glide into a long finish.

TASTING NOTES

This 100% barrel-fermented Chardonnay offers ripe, full-bodied flavors of pineapple, tropical fruit, caramel and crème brûlée. Balanced with creamy overtones for a lingering, memorable finish.
